

Boys & Girls Club 2023 Programming

Great Futures Start Here!

EDUCATION

- **Power Hour** — Dedicated to helping club youth achieve academic success by providing homework help, High-Yield Learning Activities and encouraging them to become self-directed learners.
- **DIY STEM** — Standing for (Do It Yourself), this program focuses on providing children with easy to do hands on STEM projects that make education engaging and exciting.
- **Digital Literacy** - Build foundational technology skills such as online safety, typing, web search, media collaboration and gaming.

A man and two women are standing in the foreground of a community center. The man on the left is wearing a dark polo shirt and light-colored cargo pants, with sunglasses on his head. The woman in the middle is wearing a patterned dress. The woman on the right is wearing a dark t-shirt and light-colored pants. In the background, several children are sitting at tables, and there are posters on the wall.

HEALTH & WELLNESS

- Eat Smart/Play Smart – Focuses on teaching members how to properly keep their bodies nourished and in great physical shape.
- Smart Girls – A small-group health, fitness, prevention/education and self-esteem enhancement program designed to meet the developmental needs of girls ages 8 to 18.
- Passport to Manhood – A guide for youth on their journey from adolescence to adulthood. The program gives young members practice in making healthy decisions related to their physical, cognitive, emotional and social development.

A group of young people are gathered in a room, possibly a community center or school. In the background, an American flag is draped over a structure. Several framed pictures hang on the wall. In the foreground, there are large white plastic bags and some crumpled paper or fabric on the floor. A young woman on the left is wearing a dark hoodie with 'HARRISBURG' printed on it. A young man on the right is wearing a dark jacket and a light-colored beanie. They appear to be engaged in a community service or recycling activity.

LEADERSHIP & SERVICE

- Torch Club – A “club within the club,” helping to meet the special character-development needs of younger adolescents at a critical stage in their life.
- Keystone Club - This unique program provides leadership development opportunities for youth to participate in activities, both in and out of the Club, in three focus areas: academic success, career preparation and community service.

SPORTS & RECREATION S

- Triple Play – Focused on three targeted programs intentionally written to build the skills, attitudes, knowledge and behaviors essential to an overall healthy lifestyle.
- All Stars - Organized league sport and fitness program for Flag Football, Volleyball, Basketball and Soccer.

THE ARTS

- Visual Arts – Designed to develop members skills as an artist with projects in color theory, composition, drawing, painting, mixed media and more.
- Media Making - Create, edit and share your media projects in a digital design studio.
- Lyricism 101 –help members look inward and understand as well as express their feelings in a positive and constructive way.
